Outings

Sat 12th May Lake of Menteith

On Saturday 12 May, Dunoon and District Angling Club had their first outing of the season to the Lake of Menteith. The weather was a bit bright for the fishing but 11 members had an enjoyable day. Davy Landsburgh, President of DDAC presented Andy Mallaney with a bottle of whisky for the Best Basket with 3 rainbow trout weighing a total of 8 lbs and also a half bottle of whisky to Ron Ganley who had the heaviest rainbow trout weighing 3 lb 10 oz.

Sat 21st July Black Loch

There were 13 of us and 16 fish weighing 27lb were caught. Ron Ganley had the best catch - 5 (3 weighing 7lb 1oz for the competition). Allan Miller had the heaviest fish at 2lb 6oz. Keith Mackenzie caught 4 but most had less than 3.

The fishery was well managed with good facilities, boats and engines but the water is round in shape and pretty featureless. The fishery allowed anchoring which helped as it was quite windy but most of us struggled to get any action. There was a competition on while we were there and they anchored their boats in a row over the best spots so fishing a drift was difficult.

The hotel we had a meal at was good so we owe David Lilley a vote of thanks for his work in organising the outing.

Sat 15th Sept Loch Frandy

On Saturday 22 September, Dunoon and District Angling Club had their third and final outing of the season to Loch Frandy near Auchterarder. Fishing started at 9 am and the weather was extremely windy and cold. Fishing was tough but the wind subsided slightly during the afternoon. 10 members had an enjoyable day and a total of 17 fish were caught.

Davy Landsburgh, President of DDAC presented Ron Ganley with a bottle of whisky for the Best Basket with 3 rainbow trout weighing a total of 6 lbs 7 oz and also a half bottle of whisky to Bill Duff who had the heaviest rainbow trout weighing 2 lb 7 oz. Ron Ganley won the A Cameron Outings cup and will be presented with the trophy at the Annual Dinner on 24

November.
